SSADM Entity Life History (18) Diagram

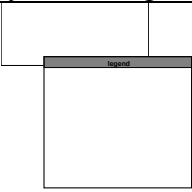

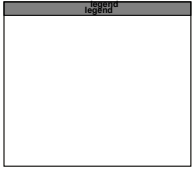

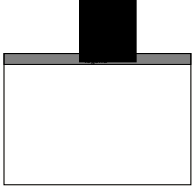

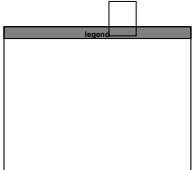

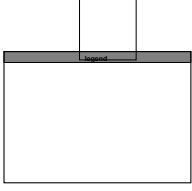

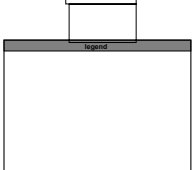

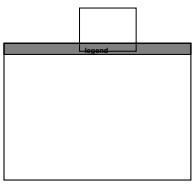

10 Symbols on diagram type.

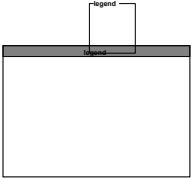

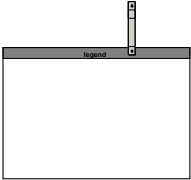

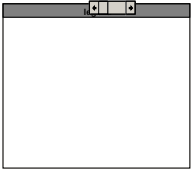

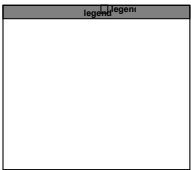

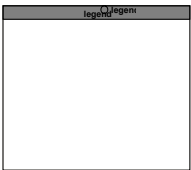

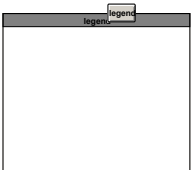

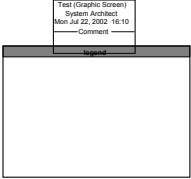

Symbol Name	Symbol Shape
Operation (279)	 The diagram shows a rectangular box with the word 'Test' in the top half and an empty space in the bottom half. Below this box, centered, is a small, empty rectangular box.
Operations List (278)	 The diagram shows a rectangular box with the word 'Test' in the top half and an empty space in the bottom half. To the right of this box is another rectangular box with the words 'Operations List' in the top half and an empty space in the bottom half. Below the 'Test' box, centered, is a small, empty rectangular box.
ELH Event (249)	 The diagram shows a rectangular box with the word 'Test' in the top half and an empty space in the bottom half. To the right of this box is another rectangular box with the words 'ELH Event' in the top half and an empty space in the bottom half. Below the 'Test' box, centered, is a small, empty rectangular box.
ELH Entity (245)	 The diagram shows a rectangular box with the word 'Test' in the top half and an empty space in the bottom half. To the right of this box is another rectangular box with the words 'ELH Entity' in the top half and an empty space in the bottom half. Below the 'Test' box, centered, is a small, empty rectangular box.
ELH Node (244)	 The diagram shows a rectangular box with the word 'Test' in the top half and an empty space in the bottom half. To the right of this box is another rectangular box with the words 'ELH Node' in the top half and an empty space in the bottom half. Below the 'Test' box, centered, is a small, empty rectangular box.
XOR Connector (8)	 The diagram shows a rectangular box with the word 'Test' in the top half and an empty space in the bottom half. To the right of this box is another rectangular box with the words 'XOR Connector' in the top half and an empty space in the bottom half. Below the 'Test' box, centered, is a small, empty rectangular box.
Doc Block (4)	 The diagram shows a rectangular box with the word 'Test' in the top half and an empty space in the bottom half. To the right of this box is another rectangular box with the words 'Doc Block' in the top half and an empty space in the bottom half. Below the 'Test' box, centered, is a small, empty rectangular box.

Page Connector (3)	 The diagram shows a 'Test' block (a rectangle with 'Test' in the top half) and a 'Page Connector' block (a rectangle with 'Page Connector' in the top half) positioned below it.
Rectangle (2)	 The diagram shows a 'Test' block (a rectangle with 'Test' in the top half) and a 'Rectangle' block (a rectangle with 'Rectangle' in the top half) positioned below it.
Text (1)	 The diagram shows a 'Test' block (a rectangle with 'Test' in the top half).
